

Artificial Intelligence (AI) Family Agreement

This agreement helps our family use artificial intelligence (AI) responsibly and safely at home. It sets clear rules so everyone understands how AI can be used in a fun and helpful way.

AI Usage Rules

- AI will be used for learning, creativity, and problem-solving.
- AI should not be used to replace schoolwork or assignments.
- Always ask a parent or guardian before using a new AI tool.
- AI will be used respectfully and kindly toward others.

Screen Time and AI Usage

- AI-related activities will fit within the family's daily screen time limits.
- Family members will take breaks and balance AI with outdoor play, reading, and other activities.

Privacy and Safety

- Never share personal information (name, address, school, etc.) with AI tools.
- If AI gives confusing or strange answers, talk to a parent or guardian.
- Parents will review and approve AI tools before they are used.

Responsible AI Use

- AI will be used in a positive and constructive way.
- Do not use AI to create false information or trick others.
- Be honest about when AI has helped with a project or task.

Family Discussion and Review

- Our family will have regular check-ins about AI use.
- If a problem comes up, we will talk together to find a good solution.

I agree to all the above

_____	Child's Signature	Date: _____
_____	Child's Signature	Date: _____
_____	Child's Signature	Date: _____

I will help my child follow this family agreement and will allow reasonable use of AI if these rules are followed.

_____	Parent(s) Signature	Date: _____
_____	Parent(s) Signature	Date: _____
